#### CONTENT

So many animals are hidden in this interactive board book. On each page, left and right, are sliding elements that change or expand the scenes or reveal something new. Where is Bello the dog? Who is being fed bread? And what is eating the leaves from the trees? Thanks to the large sliding tabs, even very young children will have great success looking for things, sliding and discovering.

#### THE AUTHOR

Susanne Gernhäuser studied German and history in Stuttgart, where she worked at a historical institute, published articles and contributed articles to textbooks while still a student. She currently edits scholarly series.

#### THE ILLUSTRATOR

Klaus Bliesener was born in 1951 in Salzgitter. After leaving school he first trained as window dresser. Later he extended his training by studying at the Art school in Braunschweig. In 1979 he qualified with a diploma in graphic design. Since 1980 Klaus Bliesener has been working free lance as an illustrator. His illustrations appear in various magazines.
