- Extra large lexicon on the popular subject of animals
- Over 100 terms expand children's vocabulary
- Perfect for discovering, identifying and telling stories together

CONTENT

In this book, little animal lovers will encounter more than 100 animals in their respective habitats. They discover bugs in the meadow, groundhogs in the mountains, parrots in the jungle, seahorses in the seas and penguins in Antarctica. On each page, children encounter familiar animals as well as many new species.

THE ILLUSTRATOR

Ana Weller was born in 1973 in Buenos Aires, Argentina and has been drawing and painting since she was a child. In order to make a profession of her hobby, she studied graphic design in Mainz, Germany. "Children and adults should have just as much fun looking at my books as I have creating them."
