ABOUT THE SERIES

Leonie is seven years old and has two very special friends who live on her grandma's balcony: Mucke and Luna are butterfly pixies. Leo learns that when she eats a special pea, she becomes a tiny pixy herself, and she can fly. Together the three friends experience all kinds of fun, adventure, and challenges.

CONTENT

Leonie is not thrilled about spending her holiday at her grandma's, until she discovers two butterfly pixies who live on the balcony. They show her how she can become a pixie, too, and then the adventures really begin!

Leonie is not thrilled about being at her grandma's until she discovers two butterfly pixies living on her balcony. With the aid of a magic pea, she shrinks and also becomes a pixie. Flying is fantastic, but it's not always easy to be so small – the cat wants to eat her! When one of the pixies disappears, a frantic search ensues. The new neighbor, Florian, comes to her aid and as a token of thanks grandma gives him a little bonsai tree with a special little something – another butterfly pixie!
