ABOUT THE SERIES

Leonie is seven years old and has two very special friends who live on her grandma's balcony: Mucke and Luna are butterfly pixies. Leo learns that when she eats a special pea, she becomes a tiny pixy herself, and she can fly. Together the three friends experience all kinds of fun, adventure, and challenges.

CONTENT

Oh, no! Florian ate too much of the magic shrinking pea. Now he's turning green and talking nonsense. Is there some herb he can take to counteract it? Leonie and the butterfly pixies set off in search of an antidote, but it isn't so easy to find, and Florian has to take the remedy before 12 o'clock! Racing against the clock, Leonie and her friends end up in the botanical garden where the pixies are able to find what they need, and get back to Florian just in the nick of time.
