A noticeable number of things have gone missing recently. What is going on? When the neighboring twins' hamster, Kalle, also disappears into thin air, Leo and the butterfly pixies decide to investigate.

ABOUT THE SERIES

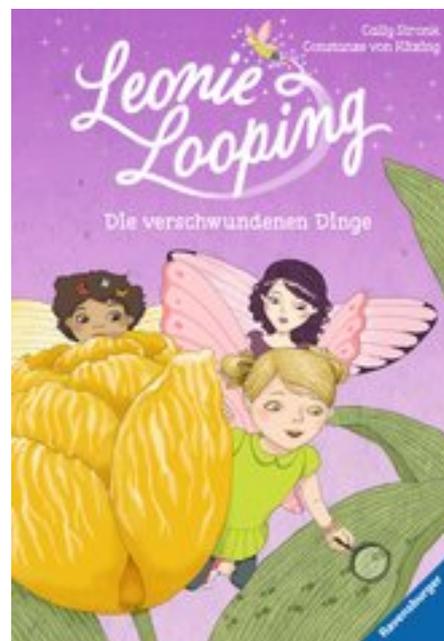

Leonie is seven years old and has two very special friends who live on her grandma's balcony: Mucke and Luna are butterfly pixies. Leo learns that when she eats a special pea, she becomes a tiny pixy herself, and she can fly. Together the three friends experience all kinds of fun, adventure, and challenges.

CONTENT

A mystifying number of things have gone missing recently. When the neighboring twins' hamster, Kalle, also disappears into thin air, Leonie and the butterfly pixies investigate and find out that Kalle is the culprit! Using the stage name Ellak, the hamster has launched a career as a rapper, and when confronted during a concert Kalle drops his disguise. In the process of solving the mystery, Leonie and her friends learn a lot about generating less trash and the true value of things.

THE AUTHOR

Cally Stronk loves to light up children's eyes with her stories and her ukulele. She lives in Berlin and her favorite place is her small balcony, where she has planted beautiful flowers and herbs. That is where she finds inspiration for new stories.

THE ILLUSTRATOR

The illustrator prefers funny, off beat characters in rich colors, which she brings to life with great attention to detail. Kitzing's books for children have won international awards and have appeared in 14 countries.
