CONTENT

Back story: Bruno can't stand to have his hair washed. But then he finds a bright green soap that not only makes his hair clean - it also turns it a magnificent shade of green. In volume two, Bruno goes on a great voyage with many adventures - for example on a school trip to Hamburg: During a cruise on the river Elbe, a sudden storm almost causes an emergency on board. And on a trip to London, Bruno manages to catch the attention of the Queen herself, and gets his picture taken with her in front of Buckingham Palace.

Three exciting adventure stories.
