CONTENT

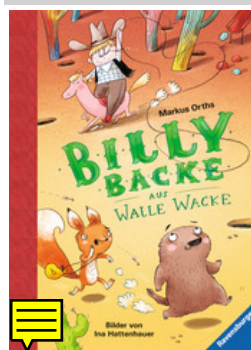

Billy Backe and his friends are in an uproar: a hot air balloon has landed on the marmot mound! In it is an enormous hazelnut, and the hazelnut turns out to actually be an egg, and out of the egg hatches the very tiny baby marmot Mini Murrel. Why was the giant hazelnut egg sent away? Where are Mini Murrel's parents? Billy Backe sets off immediately with his friends Polly, Shronk and Billy the Kid to get to the bottom of this mystery. And along the way they meet sock-nosed Indians, chattering crocodiles, a living bridge, flying killer whales, and more.
