### ABOUT THE SERIES

A fun, humorous adventure series starring three friends and a host of ghosts, pirates, vampire squirrels, and other quirky characters.

### CONTENT

What was supposed to be a fun day at the annual fair for Till, Meck and Bea has ended in catastrophe. The hot-tempered fortune-teller Madame Malus has banished them to another world, one crawling with moaning monsters, ghastly ghosts and even a vampire who loves hazelnuts. Madame Malus looks into her crystal ball with satisfaction. She showed those three brats a thing or two, and they will never, ever find the way out of the underworld. Or will they? The friends identify some kindly spirits among all the others who may be able to help them, like Bacchus, the god of wine, and the not-so-crisp mummy Hatschepsut.

Vol. 2 will be published in Spring 2017.
