### **CONTENT**

When Marie helps an elderly woman on the street one day, she has no idea that she is dealing with the good fairy Wilma. In gratitude, the fairy grants Marie's greatest wish: to be a princess. The next morning Marie wakes up in a dreamy canopy bed in a fairy tale castle, breakfast is brought to her in bed, and a pony waits for her out in the barn. Her parents are the king and queen and don't seem to remember their previous life. Could life be any more perfect? Well, it would be except for the evil fairy Fenja, who is jealous of Marie and wants to live in her palace and be a princess herself.
