ABOUT THE SERIES

A fun, humorous adventure series starring three friends and a host of ghosts, pirates, vampire squirrels, and other quirky characters.

CONTENT

After a wild time, Till, Meck, and Bea have managed to escape from the underworld. The mysterious and dangerous chasm spits them out at the annual fair—right where they began their adventures in volume 1—along with the lively ghost of Stortebeker the pirate, the talking sparrow Horst, and the nut-loving vampire squirrel Stribbi. Another ghostly creature from the underworld offers them a place to stay in the cellar of his haunted house, and the friends start to relax. But alas, the chasm very quickly reopens and Meck is drawn into the realm of the dead. Naturally the ghostly gang immediately sets off to rescue him, only to find that he is already being transported across the dangerous Devil's Sea...
