July 2017	EUR 16.99
Age	12 years and older

ABOUT THE SERIES

The treacherous god Loki has played a trick that catapults Viggo from the present into the rugged world of the Vikings. Ragnarök, the legendary end of the world, is unfolding there. Loki has his own sinister plans, and Viggo plays a key role both in Loki's plot and in preventing Ragnarök.

CONTENT

When Viggo reaches the New World with Leif Eriksson's fleet, Ole and his men already lie in wait for them, and Thorkell is badly injured in the ensuing fight. Only the healing power of the Valkyrie Hildr, Viggo's mother, can save him, but that attracts the attention of the dragon Fafnir, who wants revenge. Even Fafnir has a vulnerable spot, however, and the Vikings manage to capture him and convince him that Viggo had no evil intentions when he did not return the magic ring he borrowed from the dragon. In the meantime, the trickster god Loki – who already has three of the six artifacts of power in his possession – has stolen yet more divine weapons and is making his way to the god Baldur, believed to be dead, to provoke him into launching Ragnarök, the legendary end of the world. But Loki underestimates Baldur's power and is taken captive. Now all hope rests with Viggo.

THE AUTHOR

Richard Dübell, born in 1962, writes historical novels for teens and adults as well as film scripts, and has been celebrated for his cultural achievements by his hometown, Landshut, Germany. Dübell's novels have been translated into fourteen languages worldwide. His ironic writing style, the plethora of unexpected twists and turns in his stories, and vivid, lifelike characters are his trademarks, as well as his multimedia book presentations in which video, music and sounds are combined with Dübell's comic flair to turn them into literary events. Richard Dübell is married, has two sons and a cat, and lives near his hometown of Landshut.
