ISBN	978-3-473-40301-1
January 2012	EUR 8.99
Age	8 years and older
16,975 words / 105,499 signs	

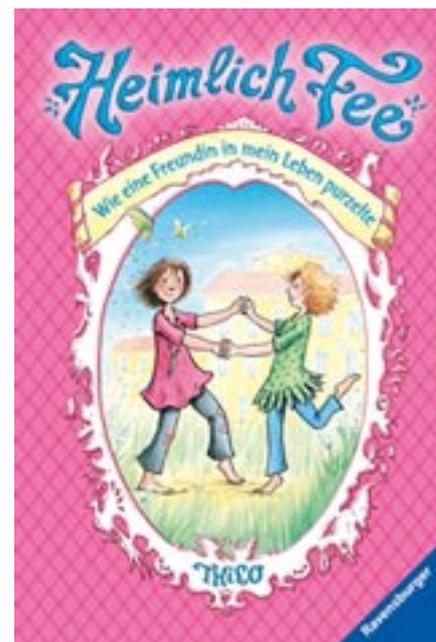

Shortly after her ninth birthday, something unbelievable happens to Amanda Birnbaum: Through a magical mirror she enters the fairy world, and is then allowed to attend the fairy boarding school Rosentau as the only human child. From that point on, her schedule is filled with learning to become invisible, fairy writing and fulfilling wishes. And in the school's own stables, real unicorns are waiting for her! With numerous black and white illustrations.

- Combines the successful themes of friendship, boarding school and fairy world
- Strong identification figure: funny, genuine, self-confident

ABOUT THE SERIES

The series "Secret Fairy" is a unique combination of the successful themes of friendship, boarding school and fairy world. Amanda is taken in by the fairy boarding school Rosentau. From that point on, she no longer lives only in the human world, but also in the fairy world, where she experiences exciting adventures. A complete adventure is related in each volume, with lots of heart and humor.

The series launched in Spring 2012. There are 6 titles available so far, with another title to follow every six months.

CONTENT

Every 144 years, a human child is taken into the fairy boarding school Rosentau. Amanda was chosen because she is exceptionally kind-hearted. Still, she will only be allowed to stay in this magical world if she does well during the trial period. When a unicorn escapes from the school stables because of a mistake Amanda made, it looks as though she will have to go back to her old school. In the end everything turns out well, and Amanda is allowed to remain at the fairy boarding school.

THE AUTHOR

Thilo is a successful screenwriter and has a wide range of German favorites to his credit. During the past few years, he has increasingly gained recognition as a children's book author and has been published by several well-known publishing houses. Thilo currently lives in Mainz with his wife and four children.
