- Strong identification figure: funny, genuine, self-confident

### ABOUT THE SERIES

The series "Secret Fairy" is a unique combination of the successful themes of friendship, boarding school and fairy world. Amanda is taken in by the fairy boarding school Rosentau. From that point on, she no longer lives only in the human world, but also in the fairy world, where she experiences exciting adventures. A complete adventure is related in each volume, with lots of heart and humor.

### CONTENT

Amanda can hardly believe her eyes when she sees a girl who looks exactly like her, and is even wearing identical clothes. The only difference is that her "twin" is full of absurd ideas, constantly making trouble and pulling pranks. And who is held responsible for everything? Amanda! How should she explain that there are suddenly two of her? She could really use some good advice about now. How can she get rid of this girl? Fortunately, she has not one but three fairy friends who come to her aid. In the end they find out that the twin is a chameleon pixie from the fairy realm that can take any form it wants. The pixie stays in the human world and will continue to stir up a lot of trouble, but at least it won't bother Amanda anymore.
