ABOUT THE SERIES

The wild Uff lay down for a short nap 66 million years ago, and just woke up again. Now it has all kinds of crazy ideas, and is creating all kinds of chaos for the Peppel family.

CONTENT

In volume 3 of the Wild Uff series, a disagreeable aunt pays the Peppel family a surprise visit. Uff is indignant that he will have to live in the attic while she is there, so he decides to scare her off with spooky stunts. It turns out that Aunt Ulrike found one piece of a treasure map in grandmother's books after she died, and she is secretly searching for the second piece. Leo and Uff are determined to stay one step ahead of Aunt Ulrike and find that map themselves. But once again, Professor Snaida has something to say about it...
