- An idyllic forest, a girl who has a magical power, and talking animals

ABOUT THE SERIES

The Luna Wunderwald series takes place in a magnificent location: in the middle of the forest. The heroine Luna has been chosen to play a magical flute that allows her to communicate with the forest animals. She comes to their rescue when an animal is in danger or needs help. The stories combine magical realism with environmental themes for girls 8 and up.

CONTENT

Luna and Melody are supposed to be practicing a dialogue for school with Caspar. Of all people! Caspar is obnoxious and on top of that he tortures animals! When a rabbit disappears from the Schmitt's farm and bird traps are found in the forest, it is clear to Luna who must be responsible: Caspar, of course! With the assistance of the dachshunds Daisy and Drago, she follows the trail to his secret hiding place in the forest and makes a completely unexpected discovery...
