An idyllic forest, a girl with a magical power, and talking animals

### ABOUT THE SERIES

The Luna Wunderwald series takes place in a magnificent location: in the middle of the forest. The heroine Luna has been chosen to play a magical flute that allows her to communicate with the forest animals. She comes to their rescue when an animal is in danger or needs help. The stories combine magical realism with environmental themes for girls 8 and up.

### CONTENT

Luna and her classmates are excited: They are allowed to explore the forest and even sleep underneath the treetops for a school project! When Luna's friend Melody finds a badger's burrow and Jonas stumbles across a medieval weapon nearby, the peace and quiet of the summer forest come to an end. Word of Jonas' find is making the rounds, a reporter suspects a medieval structure underneath the forest and experts are trampling through the woods. Luna and Melody go on strike to protect the young badger family.
