ABOUT THE SERIES

Deep in the Canadian wilderness is a special school, Snowfields, where the best riders in the world are trained and deeply wounded souls are healed, horses and humans alike. Thirteen-year-old Zoe has the potential to become a horse whisperer, and has a great deal to learn about herself as she trains at the Horse Whisperer Academy, as well.

CONTENT

Thirteen-year-old Zoe understands as much about horses as she does about physics – which is to say nothing at all. Her friend Kim is taking the entrance test for the renowned riding school Snowfields, and Zoe agrees to go with her. There Zoe has an encounter she can't get out of her mind. The black stallion Shaman is considered to be shy and dangerous, but he seems to trust Zoe right away. Not only that, something in his gaze tells her that she is the only one who can help him. Zoe is accepted to Snowfields' horse whisperer program, and enters a whole new world.
