ABOUT THE SERIES

Deep in the Canadian wilderness is a special school, Snowfields, where the best riders in the world are trained and deeply wounded souls are healed, horses and humans alike. Thirteen-year-old Zoe has the potential to become a horse whisperer, and has a great deal to learn about herself as she trains at the Horse Whisperer Academy, as well.

CONTENT

Zoe's greatest desire since she was accepted by Snowfields Academy has been to ride her favorite horse, Shaman. The director has strictly forbidden it because she thinks Shaman is still too unpredictable. But Zoe is tired of waiting. Secretly, she climbs up onto Shaman's back and ride him bareback through the forest, with no saddle or bridle. That outing will have serious consequences.
