ABOUT THE SERIES

Deep in the Canadian wilderness is a special school, Snowfields, where the best riders in the world are trained and deeply wounded souls are healed, horses and humans alike. Thirteen-year-old Zoe has the potential to become a horse whisperer, and has a great deal to learn about herself as she trains at the Horse Whisperer Academy, as well.

CONTENT

Zoe's classmate and crush Cyprian still hasn't gotten over the loss of his Appaloosa stallion, Eclipse. How could his father just gamble away the magnificent racehorse? When Zoe finds out that Eclipse's new owner is the brutal jockey trainer Macmillan, she doesn't hesitate for even a moment, but goes straight to his horse breeding farm to take part in the entrance test for a jockey apprenticeship – with the sole aim of freeing Eclipse!
