### ABOUT THE SERIES

The Animal Heroes are seemingly normal kids who become superheroes when they are with their magical animals, and take on the ability to swim like a ray, run like a cheetah, fly like a falcon, or climb like a gecko. Their enemies, the Beast Boys, will stop at nothing to get their hands on a sculpture the Animal Heroes have, which has the power to make any creature in the world magical. The elements of magic, animals and superheroes make the Animal Heroes series compelling and unforgettable.

### CONTENT

When John is with his ray, Wesley, he can breathe underwater and is an expert swimmer. But can he take on the horrid Beast Boys alone? They have hacked his phone and tricked him into a dangerous situation in the middle of the Atlantic Ocean, and John urgently needs his friends' help. The Beast Boys are counting on the Animal Heroes' mentor to hurry to their rescue and bring along the magical sculpture they desperately want to get their hands on.
