Mojo is as fast as the wind when he is with his cheetah, Dante. That's how he is able to spy on the nasty Beast Boys, who have been terrorizing the city of Cairo for weeks. He makes a shocking discovery: the Beast Boys are increasing their ranks! More evil superheroes means even more danger – not only for the Animal Heroes, but for the entire world.

ABOUT THE SERIES

The Animal Heroes are seemingly normal kids who become superheroes when they are with their magical animals, and take on the ability to swim like a ray, run like a cheetah, fly like a falcon, or climb like a gecko. Their enemies, the Beast Boys, will stop at nothing to get their hands on a sculpture the Animal Heroes have, which has the power to make any creature in the world magical. The elements of magic, animals and superheroes make the Animal Heroes series compelling and unforgettable.

CONTENT

In this adventure, told from the perspective of Mojo, a series of crimes has the people of Cairo on edge. Thieves with superpowers have robbed stores and then disappeared with the loot in unusual ways. Do the Beast Boys have something to do with it? It appears so.

Mojo senses the presence of other powerful animals and tracks them. He ends up witnessing the next robbery, this time targeting a jewelry store. One of the thieves escapes by running incredibly fast, like a hyena, while the other clammers up the building like a gorilla and escapes over the rooftops. Mojo alerts the Animal Heroes.

Out in the desert, a further theft takes place, observed by the Animal Heroes. The situation is even more dire than they knew: the Beast Boys are adding to their team, turning more and more boys into evil superheroes! The entire world is in danger.
