ABOUT THE SERIES

The Paws Brigade – that's Leni, Harry, Max and Paula, and don't forget their dogs, the sweet golden retriever Lotta, the stubborn beagle Socks, the clever border collie Kiwi, and of course the crazy one of the bunch, the Jack Russell terrier Mogli. The four children experience the most amazing adventures with their four-legged friends.

CONTENT

Leni, Henry, Paula and Max are baffled. Paul's dog, Mogli, disappears without a trace, but Lotta uses her excellent sense of smell to find him again. Then food goes missing from the pantry at the youth center where the class is staying. Who is the thief with a taste for pretzels, gummies and sausages? A neon green sock may be the only clue.
