ABOUT THE SERIES

The Paws Brigade – that's Leni, Harry, Max and Paula, and don't forget their dogs, the sweet golden retriever Lotta, the stubborn beagle Socks, the clever border collie Kiwi, and of course the crazy one of the bunch, the Jack Russell terrier Mogli. The four children experience the most amazing adventures with their four-legged friends.

CONTENT

Leni, Henry, Paula and Max can hardly believe it. Just when they need Lotta's excellent nose to help them figure out what is going on inside the abandoned captain's house, she does not want to behave anymore. All Lotta wants to do is be goofy with her new dog friend, Tom Tom. Is the house haunted, or is there something else going on there?
