- Four dogs + four friends = never-ending adventure
- Exciting series all about dogs, many children's favorite animal

ABOUT THE SERIES

The Paws Brigade – that's Leni, Harry, Max and Paula, and don't forget their dogs, the sweet golden retriever Lotta, the stubborn beagle Socks, the clever border collie Kiwi, and of course the crazy one of the bunch, the Jack Russell terrier Mogli. The four children experience the most amazing adventures with their four-legged friends.

CONTENT

In this final volume in the series, Mrs. Rabe marries her captain and sets off to sail around the world with him. But before that, the wedding is jeopardized because the rings have disappeared. At first they suspect Ms Kloss, who made off with Paula's mother's laptop in a previous story. But this time, it was one of the dogs that ate the rings.

Also wrapping up the series, in this book Mrs. Wonne returns as the teacher, Henry's mother finally finds a job in town, and the beagle Socks finds its forever home with Henry. And to top it all off, Mogli becomes a father! Purzel the poodle, previously not known to be a female, mysteriously becomes rounder and rounder and then produces an adorable litter of Jack Russel terrier/poodle puppies.
