### ABOUT THE SERIES

This series tells the story of four soccer-crazy boys. They start out playing on the village green, move on to a professional club, and eventually win the Children's World Cup in England. Winning gives them the opportunity to fly to the real World Cup in Brazil, where Noah's father lives - the two have missed each other terribly. After the great journey, the boys experience further adventures at home.

### CONTENT

Only the best players will be able to go to the training camp. A fantastic opportunity for everyone who wants to become a professional soccer player. The gloves come off in Matti's, Noah's, Hardy's and Owl's team, and someone even bribes Matti. But in the end, friendship wins out - and three of the four friends are going to the training camp. The sad news: Hardy isn't coming along.
