#### ABOUT THE SERIES

Every title in the series "My Very First Short Stories" contains eleven stories. The short texts are ideal for reading aloud, and there is much to observe and discover in the large-format illustrations.

#### CONTENT

A collection of good night stories with fantastical and everyday stories: the goat kid who doesn't want to sleep; Leo, whose stuffed lion guards him at night; the little mouse who gets warm milk and honey before going to bed; the cats who go walking in the moonlight, and fox, rabbit and many others.

#### THE AUTHOR

Rosemarie Künzler-Behncke was born in 1926 in Dessau. Her first children's book appeared in 1970. In answer to the question "what do you hope to achieve with your books? What is important in life?", the mother of three children replied: "I would like to encourage children to think independently and to be imaginative and creative."

#### THE ILLUSTRATOR

Marlis Scharff-Kniemeyer worked for several years as a photographer before she started studying graphic arts. Today she earns her living as an illustrator and graphic artist.
