CONTENT

A very special book featuring six different construction sites, where there are many kinds of trucks and vehicles. Each scene can be changed in an instant by opening or closing the half-page flaps, big and sturdy enough for small hands to move without tearing them. All the vehicles are depicted and named on the last two-page spread.

THE AUTHOR

Susanne Gernhäuser studied German and history in Stuttgart, where she worked at a historical institute, published articles and contributed articles to textbooks while still a student. She currently edits scholarly series.

THE ILLUSTRATOR

Wolfgang Metzger is trained in lithography and graphic design. After his studies he illustrated textbooks for a long time, but has concentrated on designing and illustrating children's books for more than 20 years. His books have become bestsellers, with more than 8 million copies sold in German language territories.

Wolfgang Metzger has four daughters and lives with his family near Stuttgart.
