CONTENT

A very special book featuring six different scenes on a farm, where there are lots of vehicles and equipment. Each scene can be changed in an instant by opening or closing the half-page flaps, big and sturdy enough for small hands to move without tearing them. All the vehicles are depicted and named on the last two-page spread.

THE AUTHOR

Susanne Gernhäuser studied German and history in Stuttgart, where she worked at a historical institute, published articles and contributed articles to textbooks while still a student. She currently edits scholarly series.

THE ILLUSTRATOR

Wolfgang Metzger is trained in lithography and graphic design. After his studies he illustrated textbooks for a long time, but has concentrated on designing and illustrating children's books for more than 20 years. His books have become bestsellers, with more than 8 million copies sold in German language territories.

Wolfgang Metzger has four daughters and lives with his family near Stuttgart.
