#### ABOUT THE SERIES

Young children can explore each topic using the many sliders. Funny rhymes invite them to play and discover. On the dictionary page at the end of the book, children can recognise and label the most important terms relating to each topic, promoting their language development.

#### CONTENT

Firefighter Fritz must hurry because he has much to do: There's a fire in town, and a cat has to be rescued from a tree. And then he needs to prepare the fire engine for the next emergency.

#### THE AUTHOR

Bernd Penners, born in 1958, is an elementary school teacher and is still engaged in this career with great enthusiasm. With his books he would like to make children smile and show that it's a good idea to not always take things super seriously.

#### THE ILLUSTRATOR

Kerstin Schuld studied law before completing a long-distance degree in advertisement and commercial graphics as well as caricature and comic drawing. She works as a freelance artist and illustrator. In addition to her hobbies of drawing and painting, she sings in a gospel choir.
