ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

You have inherited a castle, but you're not welcome there. The residents are creepy figures and have only one goal: they want to get rid of you just as fast as possible, no matter what it takes ...
