ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

But he finds himself faced with a difficult decision: Should he accompany his father, a sports journalist, to interview one of his greatest idols, or should he go train at the beach so he can one day become a successful professional soccer player himself?
