### ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

### CONTENT

You are a mahout, an Indian elephant keeper, and together with a thousand other mahouts and their elephants you are helping to build the Taj Mahal. You soon realise that things at the construction site aren't quite as they should be. Do you notify the maharaja of the discrepancies or do you try to get to the bottom of the matter by yourself?
