ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

A mobile phone is only good for making phone calls and sending text messages? Think again! The choice is yours: Are you going to use your phone to participate in an exciting nightly geocaching adventure or would you rather play a popular computer game? Or do you read the text message from someone offering you a lot of money for a small messenger job?
