### ABOUT THE SERIES

An interactive approach to books: one title - many different stories. Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

### CONTENT

Your parents are aid workers, which is why you currently live in Ghana, and you would love to support them in their work. That's when you hear about a competition in the US from December 1 to 24: They're looking for the world's youngest superhero. The winner will receive a few million dollars. You decide to participate because the prize money would allow you to help a lot of people in Ghana. The individual challenges take place in amazing locations and your competition is extremely good. On each of the 24 days, it's up to you whether you pass the challenge and what happens next. Whether you've won the competition will be decided on December 24.
