- Interactive stories for and about girls allow the reader to determine what direction the story will take, giving girls a greater stake in the outcome
- Each book contains many different adventures
- Very successful concept just for girls

ABOUT THE SERIES

An interactive approach to books: one title – many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series for girls will be continued with two new books every year.

CONTENT

Lena is looking forward to the upcoming exchange with a school group from England. But her exchange partner, Riley, turns out to be a he instead of a she. Should Lena spend a week living in the same room as the sweetest boy from the British group? Or should she ask the teacher to have a girl assigned to her instead? You decide how the rest of the week will unfold.
