- Interactive stories for and about girls allow the reader to determine what direction the story will take, giving girls a greater stake in the outcome
- Each book contains many different adventures
- Very successful concept just for girls

### ABOUT THE SERIES

An interactive approach to books: one title – many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series for girls will be continued with two new books every year.

### CONTENT

Emma loves animals more than anything. That is why she is working at the Ark, a small farm for animals in crisis. When the dazzling Leon shows up, everything gets turned upside down. Instead of taking care of the animals, Leon just flirts with her. And now all of a sudden her best friend, Jacob, is acting strange, too. When new animals arrive as emergency cases at the farm, Emma has to decide: with which of the two boys will she form a team?
