- Interactive stories for and about girls allow the reader to determine what direction the story will take, giving girls a greater stake in the outcome
- Each book contains many different adventures
- Very successful concept just for girls

### ABOUT THE SERIES

An interactive approach to books: one title – many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series for girls will be continued with two new books every year.

### CONTENT

Hannah is looking forward to the class trip to the Baltic Sea. She wants to stay up all night talking with her best friend Ava and have some fun! She also hopes she'll find a way to finally get to know her crush better. But the obnoxious Mieke also has her eye on Tim – and that can only result in stress. Will Hannah manage to get Tim's attention? But wait, there is another sweet boy Hannah likes.
