Age	10 years and older

- Interactive stories for and about girls allow the reader to determine what direction the story will take, giving girls a greater stake in the outcome
- Each book contains many different adventures
- Very successful concept just for girls

ABOUT THE SERIES

An interactive approach to books: one title – many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series for girls will be continued with two new books every year.

CONTENT

Hannah's nerves are frayed: the big dance at her fancy boarding school is coming up soon and she doesn't have any idea who she should go with. With great difficulty she managed to scrape together the money to take dance lessons, like everyone else, to get ready for the ball. But those hours only make her more confused. Should she go with Jerome, one of the coolest guys in her class? Or with Max, who is so sweet? Or should she hold out in hopes that her crush, Gabriel, will still ask her? But what if he doesn't?

THE AUTHOR

Thilo is a successful screenwriter and has a wide range of German favorites to his credit. During the past few years, he has increasingly gained recognition as a children's book author and has been published by several well-known publishing houses. Thilo currently lives in Mainz with his wife and four children.
