ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

You are taking part in a three-week camp in Porto Cercado, a village in the Brazilian state of Mato Grosso, with two hundred other young people from around the world. You can't wait to spend this time in the Brazilian jungle, where countless adventures await you! You want to photograph rare animals, paddle down the raging rivers, and get to know the native villagers. Through them you learn about Manoa, a legendary Inca city deep in the jungle where there are supposedly enormous stashes of gold. Will you attempt the difficult journey to find it, or stick with the camp activities?
