### ABOUT THE SERIES

An interactive approach to books: one title - many different stories. Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

### CONTENT

No one is better with a controller than you; gaming is your thing! When you receive a mysterious invitation from someone you don't know to try out a new game, you are all in. But soon you notice that this game is incredibly dangerous, and will change your life forever. Do you bow out, or keep playing?
