ABOUT THE SERIES

An interactive approach to books: one title – many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series for girls will be continued with two new books every year.

CONTENT

When her school organizes a band, two of Mia's dreams come true at the same time, because the adorable Matt is part of it! Mia immediately signs up, too. But should she sing or play the guitar? And what is more important to her, the music or Matt? Mia has to decide quickly, because her band rival Greta is also using the opportunity to sing her way into Matt's heart...
