ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in our program. The series will be continued with two new books every year.

CONTENT

You are the youngest Mars pioneer of all time and are flying in the Explorer 3 spaceship to the outer space colony of Kyro. Once there, you are supposed to be part of an adventurous mission to explore the planet and recover a Mars rover. Do you dare battle your way through the enormous volcanoes and frigid temperatures of the Mars landscape, or would you rather take your chances evading outer space pirates, or maybe even find valuable treasure deep inside the Red Planet?
