ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

Spooky things are happening at your boarding school. Chalk moves across the chalkboards all by itself during class. Your pale classmate Marie claims she's been in school for four hundred years, and at night you hear ghostly voices. Will you try to escape, or will you investigate and see what's causing all these frightful events?
