ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

Your dream has come true. During the World Championship you will be traveling to Russia as a young reporter. Once you arrive, though, a second red hot breaking story awaits you: the bones of a mammoth have been found.
