ABOUT THE SERIES

An interactive approach to books: one title - many different stories. Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

Your parents have bought a creepy house in the country that used to belong to a Japanese master swordsman. He left two laser swords behind that give you astonishing powers. Will you travel back in time with them to become a great warrior? Or would you rather change the world here and now with the swords' powers? Be careful: the swords change not only your life, but also your heart...
