ABOUT THE SERIES

An interactive approach to books: one title - many different stories. Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

Talk about an extreme Christmas challenge: Equipped with a super cell phone, you are up against three teams in a geocaching competition in icy Scandinavia. Only one can win the ultimate prize: a phenomenal holiday party for your entire school! The journey starts with a nasty surprise as your luggage disappears during the flight to the polar circle. There is no time to react, as you are off to a car race across a frozen lake... Told in 24 enticing chapters, this combination 'you decide' story and advent calendar helps the weeks before Christmas go by quickly.
