### ABOUT THE SERIES

An interactive approach to books: one title - many different stories. Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

### CONTENT

You are one of the fortunate ones selected to fight to victory and a galactic future in the great Christmas arena. Millions of people around the world will be watching. The arena is full of dangers, traps, inscrutable opponents, and helpful friends. But beware: Not everyone who is nice to you wants you to succeed! In the end, there can be only one winner. So consider each move you make very carefully.

### THE AUTHOR

During the past few years, he has increasingly gained recognition as a children's book author and has been published by several well-known publishing houses.
