ABOUT THE SERIES

An interactive approach to books: one title - many different stories! Because the readers themselves are the heroes in these stories, they are very likely to identify with them. The Thousand Dangers books have long been among the most successful titles in Ravensburger's program. The series will be continued with two new books every year.

CONTENT

Emma is experiencing a whirlwind of emotions when gorgeous Leon turns up at the “Ark”. Instead of taking an interest in animals in need, he flirts with her the whole time! Emma's best friend Jakob is suddenly acting strangely as well. When four new cows and three ponies arrive at the sanctuary as emergency cases, Emma must decide which of the boys to team up with.
